

RHEUMATISM

A HOME CURE GIVEN BY ONE WHO HAD IT.

In the spring of 1913 I was attacked by Muscular and Inflammatory Rheumatism. I suffered only those who have it know, for over three years. I tried every remedy, but such relief as I received was only temporary. Finally, I found a remedy that cured me completely, and it has never returned. I have given it to a number who were terribly afflicted and even bedridden with Rheumatism and it effected a cure in every case.

I want every sufferer from any form of rheumatic trouble to try this marvelous healing power. Don't send a cent, simply mail your name and address and I will send it free to try. After you have used it and it has proven itself to be that long-sought-for means of curing your rheumatism, you may send the price of it, one dollar, but understand, I do not want your money unless you are perfectly satisfied to send it. Isn't that fair? Why suffer any longer when positive relief is thus offered you free? Don't delay. Write today.

PEOPLE

James Freel of Green Bay, Wis., visited his brother, John Freel of 113th street, last week.

Miss Freel and Miss Margaret Williams visited relatives in Park Manor, Sunday.

The Methodist church is giving a public reception in the church on Thursday night of this week for the members received into the church since June 1, 1919. Nearly 100 new members have been received during this time, and these together with the class of small children baptized and enrolled makes the total considerably above 100. Circumstances will prevent many of these from being present at the reception, but all who possibly can are urged to be present, and all members and friends of the church are asked to be on hand to welcome the new members. The reception will open with a program in the auditorium of the church, and will include a social hour with refreshments in the parlor below. A pleasant time is assured.

TRY SULPHUR ON

AN ECZEMA SKIN

Costs Little and Overcomes Trouble Almost Over Night

Any breaking out of the skin, even fiery, itching eczema, can be quickly overcome by applying Menthosulphur, declares a noted skin specialist. Because of its germ destroying properties, the sulphur preparation instantly brings ease from skin irritation, soothes and heals the eczema right up and leaves the skin clear and smooth.

It seldom fails to relieve the torment without delay. Sufferers from skin trouble should obtain a small jar of Menthosulphur from any good druggist and use it like cold cream.

THE BEST

ON EARTH

Says Mrs. Staples of Lydia E. Pinkham's Vegetable Compound.

Taunton, Mass.—"I could not eat or sleep for six months, had fainting spells and could not walk without help for three months, caused by female trouble. My cousin, who was a doctor, told me to take Lydia E. Pinkham's Vegetable Compound and it helped me greatly. Then during the Change of Life I used the same remedy. I am

seventy years old now and am able to do my own housework and walk one mile to church every Sunday morning and evening. I am recommending the Vegetable Compound to my friends having the same troubles as I had. Your remedy is the best on earth. I cannot find words to express my gratitude to it."—Mrs. SUSAN C. STAPLES, 157 B School St., Taunton, Mass.

The reason that thousands of women from all parts of the country write such grateful letters is that Lydia E. Pinkham's Vegetable Compound has brought health and happiness into their lives, once burdened with pain and illness. It has relieved women from some of the worst forms of female ills, such as displacements, inflammation, and ulceration. Why don't you try it?

(INTERNATIONAL NEWS SERVICE)
NEW YORK, May 26.—Despite the fact that the estate of John William O'Bannon has increased in value about \$200,000 during the past 55 days, and that it is estimated at more than \$13,000,000, he is compelled to remain an inmate of the Riverside sanitarium, having been adjudged mentally incompetent by a sheriff's jury.

The physicians who pronounced O'Bannon incurably insane in his testimony agreed, however, that he is a

THE BIG DRAMATIC SENSATION OF THE YEAR

Combing Won't Rid

Hair of Dandruff

The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid arven; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

Do this tonight, and by morning, most if not all of your dandruff will be gone and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find, too, that all itching and digging of the scalp will stop at once, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.
